Out of School Hours Care: **PH: 8395 0012**

Dear Families/carers,

Currently we have no reported cases of COVID-19 and our school and OSHC remain open. We have made decisions to support the health and safety of our students, staff and community in conjunction with guidelines from SA Health.

Social distancing and hand washing are strong measures we are implementing and this requires some changes in our practices.

1. Morning reading programmes will undergo a change till the end of the term. We ask that parents and volunteers take a break from these programmes at school and support the reading programme at home with their own children, rather than come into class to hear reading.
2. Assemblies will not be held this Term and unfortunately that includes Harmony Day on Friday. Students can wear orange and will be involved in class activities.
3. At this stage parent interviews can be booked online, but these interviews will most likely be conducted via the phone in week 9 this term. www.schoolinterviews.com.au Enter code:48ck5
4. Swimming for Year3/4/5 students has been postponed and money already paid will be credited to families for use later in the year. We are unable to do refunds.
5. Parents will be notified to collect their child if they present as unwell.

We will update and keep you informed if events change. I thank the work of our front office staff dealing with many phone calls and the Governing Council. I encourage us to be kind to each other, as we all navigate this new territory.

Kind regards,

Sue Wirth

Principal
