Out of School Hours Care: **PH: 8395 0012**

Dear families and carers,

It's been heartening over the last few weeks to have your support for our educators and administrative staff at Modbury West School.

We also thank you for your efforts in supporting students returning to school. Our attendance rates are now around 98%. A great achievement as we know that students get their best education at school with their teachers.

While the Department for Education has supported parent choice during this pandemic, now the expectation is that all students to be back at school, unless they are unwell or considered vulnerable to COVID-19. Please contact the school as soon as possible if your child is not returning to school, as attendance procedures are reactivated and monitoring student attendance processes will be addressed as usual.

We are waiting for updated advice from our Chief Public Health Officer Nicola Spurrier, on camps and excursions, school based sports competitions, large gatherings within schools (such as student assemblies), operation of community/school libraries, and visitors to schools. We will get this information to you as soon as we receive it.

In the meantime, we ask that families and carers maintain current arrangements for drop off and pick up.

End of semester written reports will be sent home with your child on Friday 3rd July, the last day of term. These will be in a revised format. We hope to hold parent conversations/interviews early in term 3 and this will be the opportunity to further discuss the progress of your student.

Take care and again we really appreciate your kindness and understanding.

Kind regards,

Sue Wirth

Principal

Government of South Australia
Department for Education
