Dear Families,

I hope you are well and the beginning of school has been successful for you and your child/ren.

We have had a very positive start and routines are quickly being established and learnt by our students. Much of the learning program has been dedicated to laying the foundations through our Positive Behaviour Support program with the support of our Partnership Behaviour coach Sarah Soroush.

Attendance is very important and we thank you for responding to our texts and letting teachers or front office when your child is away. We have had a few cases of gastro and appreciate those families keeping their children home until they are well. We have been very vigilant in hand washing and use of hand sanitiser for COVID and this is an important habit for our continued health and wellbeing.

We are having an acquaintance event on Tuesday 16th February but will require you to book onto the School interviews website www.schoolinterviews.com.au

Please use the Event code **ks3e2**.

This event is NOT a parent interview and individual information about your child's learning can be communicated by making an appointment with your teacher at another time or at the Parent interviews in WEEK 10 this term.

This event has the intention of sharing some information about the class learning program and familiarisation with your child's learning environment as well as building a working relationship with our teachers. Specialist teachers are available in their rooms as well.

To keep everyone safe we ask that you access the QR code before entering the room or school and that you use the hand sanitiser at the entrance to each room and remember social distancing between adults.

A bell will ring at the end of each session as we need to clean between groups.

The Annual General Meeting will be held in the Gym at 6:00 on Tuesday 16th February after acquaintance event. We are looking for new council members and invite you to this event. Forms to nominate yourself for council are available in the front office SO please ring the school and one will be sent to you. After the AGM we will have our first Governing council meeting for 2021.

I look forward in the weeks to come meeting more of our families and sharing the learning journey of our students.

Kind regards,

Sue Wirth

Principal
