

Welcome to Modbury West Out School Hours & Vacation Care

Dear Parents or Caregivers,

Welcome to Modbury West Out School Hours & Vacation Care Service. We are delighted you have chosen to become part of our OSHC community and look forward to learning about your family. As a service we strive to ensure all young people are provided with opportunities to belong, learn, grow and be happy.

Please find attached to this USB all relevant information and forms for your enrolment.

For your convenience most of our forms are now electronic where you are able to type on them, all that is left to do is print, sign and date and return to our service. If you would like a printed Enrolment pack, please see one of our friendly educators at our service.

It is your responsibility to supply the service with information about your child's asthma, food requirements, and medication or allergies requirements and plans. *(If your child has an allergy, anaphylaxis, asthma, or is required to take medication the family must submit the necessary plans and agreements associated with the condition to the satisfaction of the National Regulations, Division 3 Medical Conditions Policy, medication must be supplied to the service in original containers with child's name clearly marked before enrolment will be accepted.)*

If your child has behavioural or additional needs that does require medication management. (E.g. ADHD, non-responsive, uncooperative) *If yes please specify. Further documentation may be required before enrolment is accepted.*

If you have any queries, please contact the service for assistance on 83950012 or via email admin@modwestoshc.onmicrosoft.com

Kind Regards

Graeme Brown
